Dear President Osoth:

We hope that this letter finds you safe and in good health amid the COVID-19 pandemic.

We are transmitting to your good office a copy of the letter of the Philippine Sports Commission (PSC) dated 30 April 2020 with the corresponding Board Resolution No. 733-2020. The said letter stated, among others, that due to "the present health crisis and the directives of the national government," the PSC shall "withdraw its financial support to the hosting of the 10th ASEAN Paragames."

It is very unfortunate that despite all our efforts, hard work, and dedication, the hosting of the APG would not push through due to uncontrollable circumstances caused by the COVID-19. In this regard, we suggest that a meeting be held sometime in May 2020 to discuss the fate of the APG.

We shall update you of further developments and shall await your response.

Thank you and keep safe.

Sincerely,

MR. MICHAEL I. BARREDO

President, NPC Philippines

Chairman, Board of Governors(APSF)

Representative, South East Asia Sub Region(APC)
